1968

Preface

The Annual Staff of 1968 worked with one purpose; to capture the activities of a year between two covers.

In the mind of every staff member was the thought, "A better annual—a better record for my fellow students." His every new idea, his every extra effort was on this objective.

A school annual is a means to preserve our fun, our worries, and our progressive record of growth while in school. It is our hope that when you open your annual in future years, a recollection of feverish cramming, the anticipation of elections, the significance of commencement, and all the other memories of years behind, will be recalled.

The annual co-editors

Dedication

—To you, Students, our Parents and Faculty

Whose interests have been in the improvement of our lives whose love and encouragement have been inspirational, and whose never-ending sacrifices have made possible these many years of education we respectfully dedicate the ANNUAL of 1968.

We hope that this tribute you so rightly deserve will prove how highly we regard you.

A Glimpse

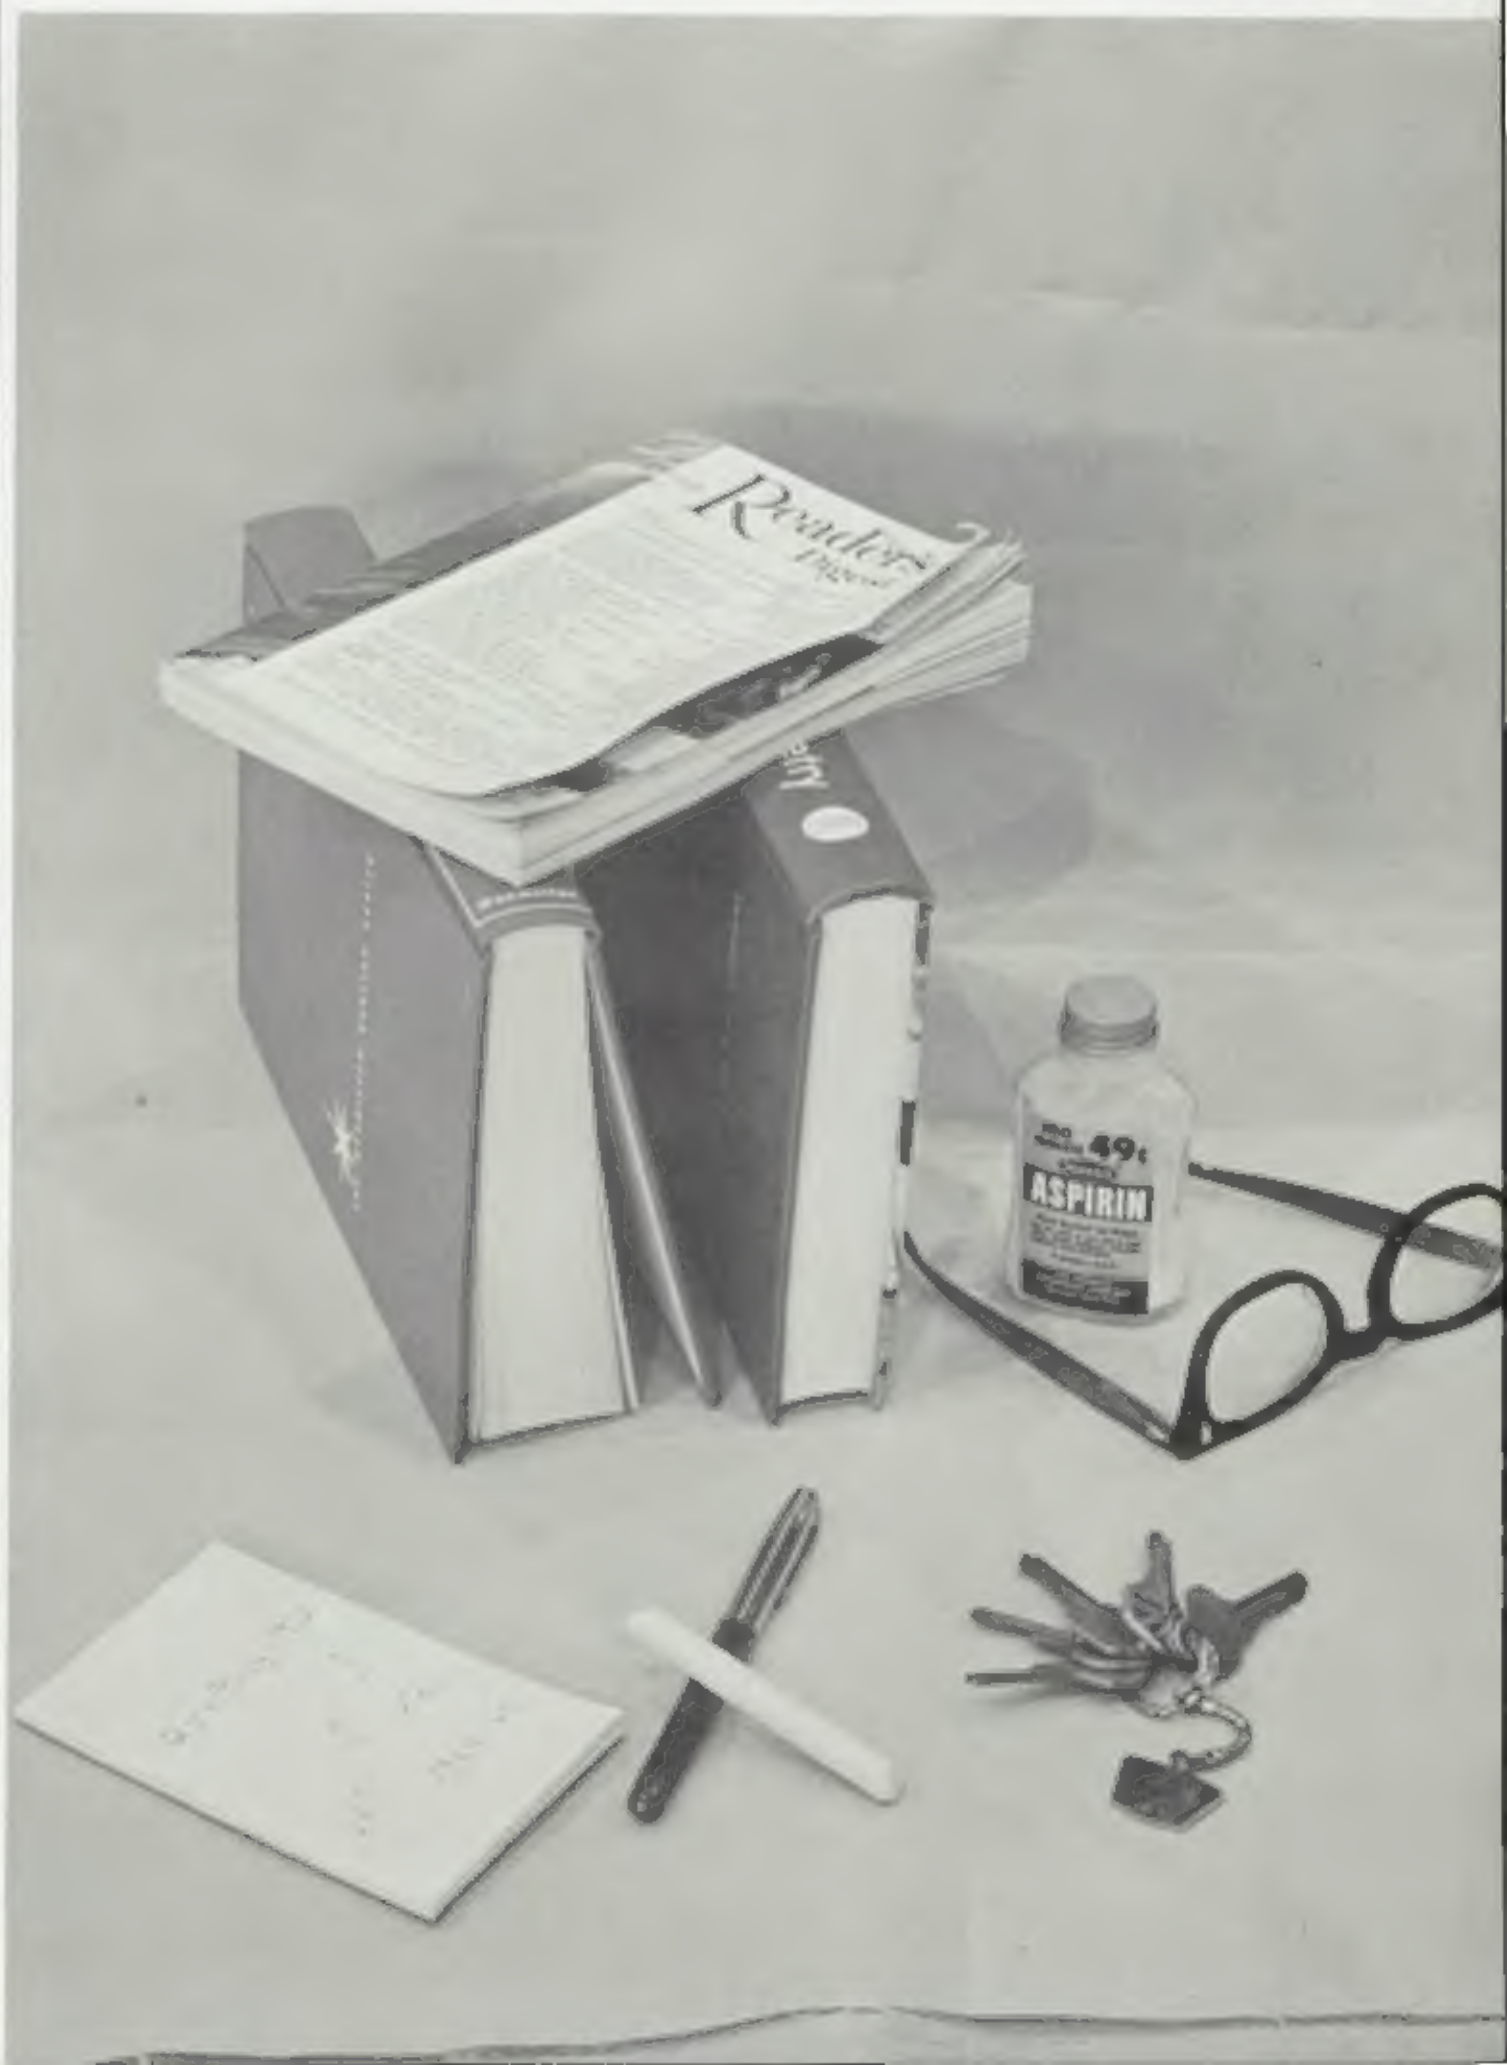

Into our world, "The Doorways of Education are open to Happiness."

You see before you a unique world . . . a training ground for achievement, creativeness, cooperation, and sportsmanship. This is our world, High School.

Our basic purpose is achievement. In studies, sports, and clubs, we strive to master our task. To many an outsider we appear as an indiscernible mass. We dress alike, style our hair the same and go places in big groups, but we think differently. We are individuals. Among us are the personalities that will emerge as the future doctors, ministers, artists, or pioneers of space.

We extend to you the reader, whether familiar or not with RAMONA HIGH SCHOOL, an invitation to step through our "Doorway", into our school and view the activities and progress of the inhabitants of a world dedicated to producing the A M E R I C A of tomorrow.

The CSF -in action

The CSF is active in our school, although, other activities seem at times to overwhelm it. Scholarship is the key that opens doors to happiness and to colleges.

At the left is a picture of Dennis Desselring, CSF President in the newest of color and shading called Mezzotint.

Homecoming Queen and Her Court

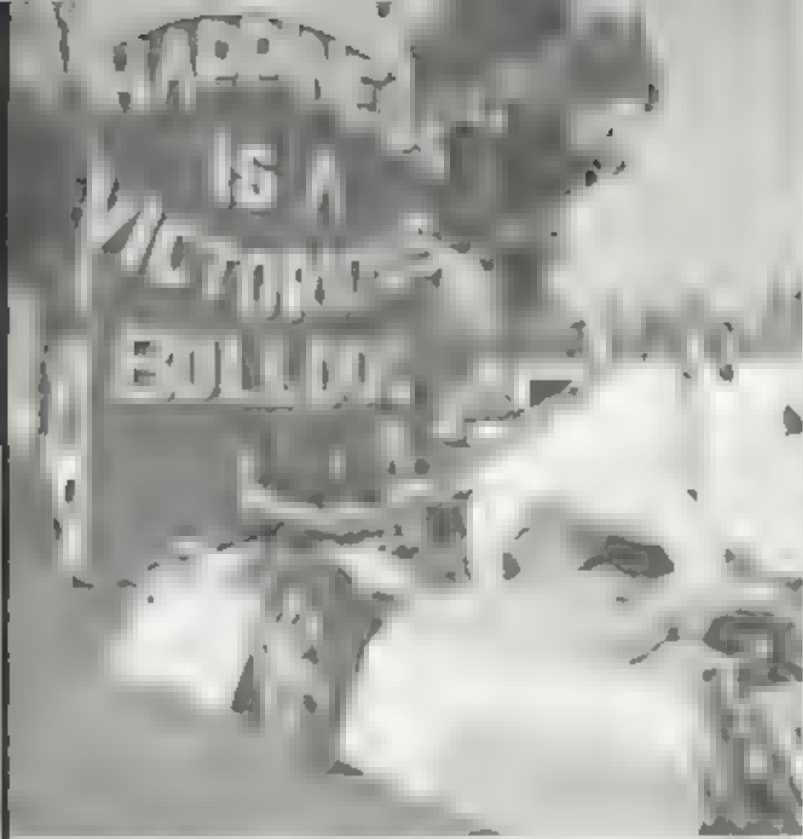

Miss Priscilla Logan

The Homecoming Queen was chosen amid pomp and ceremony at the Bulldog Stadium, on November 3, 1967. She will reign as our queen over school events.

Chen Roantree, Annette Campbell, Cathi Stockalper, and Judy Richardson will serve the queen during her reign.

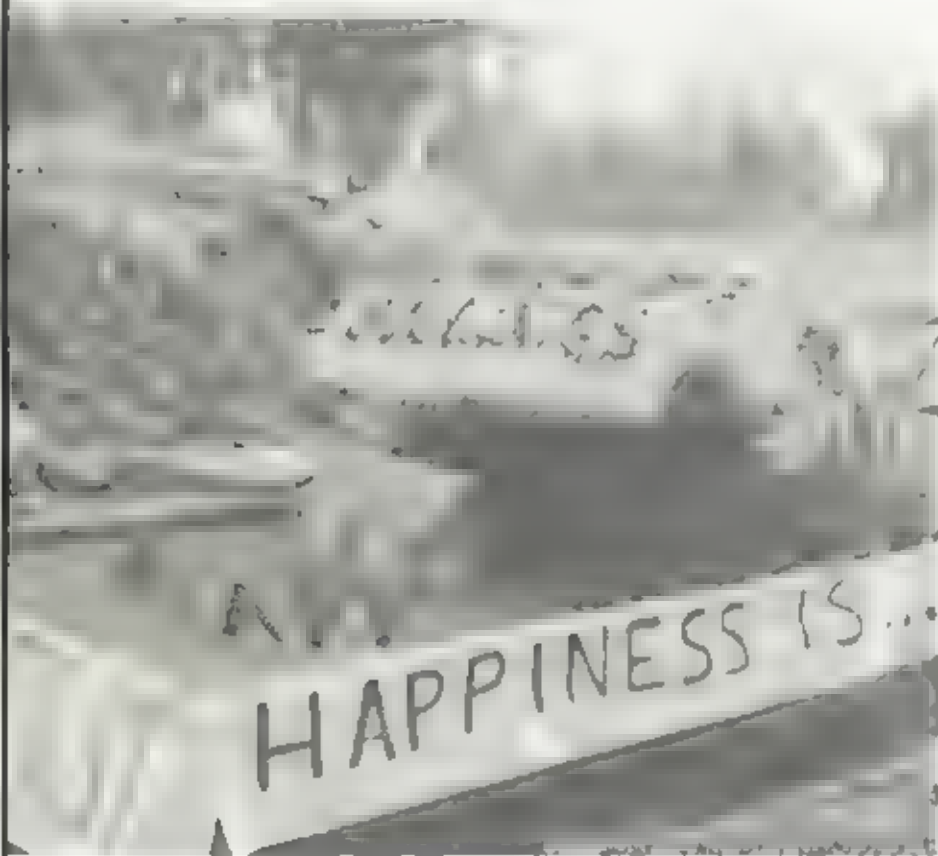

The Bulldogs won the game, 45-13. The game was played with Army-Navy Academy.

Senior Float "Happiness is a Victorious Bulldog."

Junior Float: "Snoopy says Happiness is a victory."

Sophomore Float: "Happiness is a Wipeout." Below the sign, it says 'THE WINNER' Happiness is being on top."

Homecoming

The Homecoming this year, 1967 was the finest ever. All the Floats were "Winners", but the Freshman Float—won the prize."

We won the Football game too, and that added to the Victory. The crowd was unusually large and the weather was just perfect. What a wonderful way to end the Football season.

THE BARCELONA BULLETIN

The Barcelona Bulletin is published to inform interested people of the progress of SCHOOLBOYS ABROAD in Spain. It includes excerpts from the boys' journals, short articles by members of the faculty and their wives, and general news.

Paul Nizenski, our goodwill Ambassador to Spain

Nizenski Leaves For Spain

On September 9, Paul Nizenski will be sailing from New York on the M.S. Aurelia for Barcelona, Spain where he will attend one of the European schools operated and sponsored by Phillips Academy, a well-known Eastern boys school.

Paul and his parents, Mr. and Mrs. Stanley Nizenski, are driving to the East coast this week and plan to spend several days sightseeing and visiting with relatives.

The Aurelia is a modern Italian ship chartered by the Council on Student Travel and all the passengers are young Americans planning to study in various European Countries.

Paul's group will spend two days in Paris where they will stay at the American Center for Students and Artists.

This "Schoolboys Abroad" program is for boys in their junior year who have been studying the Spanish language. The boys will live with pri-

vate families and are encouraged to take an active part in the life of the community. They will be taken on at least two extended trips around Europe.

The daily academic classes will be held in the modern facilities of the Instituto de Estudios Norteamericanos in Barcelona which is under the joint jurisdiction of the United States and Spanish Governments. Three thousand Spanish young people are enrolled in the evening classes and when schedules permit, the Schoolboys Abroad students are invited to take part in many of the extra-curricular activities such as dramatic productions, lectures, concerts, films, dances and other social events.

Any of Paul's Ramona friends who would like to write to him may use the following address: c/o Schoolboys Abroad, Instituto de Estudios Norteamericanos, via Augusta 123, Barcelona, Spain.

The Story of Sadie Hawkins Day

Sadie Hawkins was the daughter of early Dogpatch Settler, Hekzebiah Hawkins. She was the homeliest gal in the hills. On her twentieth birthday she said to her dad, "Pappy, Ah is 20 years ole today. How come ah hain't married up?" Her Pappy comforted her as best he could, "Patience, chile. Yo'll be gettin' a offer any day now, no doubt."

Well fifteen years later, Sadie cried, "Pappy—ah hain't got a offer YET! Yo' gotta get me a husbin, or you'll have me on youre hands fo' th' rest o' your natcheral life! Her pappy observed, "thet shore would be auffel. Ah'll get yo' a husband tomorry! Ah got a PLAN! !

Next day, Pappy Hawkins announced, "Bachelors!! Since none o' yo' bin man enuff t' marry mah dotter, Sadie, ah gotta take firm measures!! Ah declares this SADIE HAWKINS DAY! When ah fires-Yo' starts runnin!!! When ah fires agin, SADIE starts! The one she ketches'll be her husbin-Le's GO!"

Well, Sadie did catch one. The other Dogpatch spinsters allowed it were such a good idea SADIE HAWKINS DAY was made an annual affair!

El Ano Queen & Court

The El Ano Queen this year was the lovely Miss Judy Richardson, who was crowned by twenty-three flower and and fifty-nine votes. First runner up was the petite vivacious Miss Penny Canyon, second place winner was the beautiful Miss Linda Walker, third place winner was a freshman, the attractive Miss Muriel Brown, fourth place winner was Miss Cathi Stockalper, a shy but very personable Junior. Lady of the Year was a Queen in her own right, and the El Ano staff was very proud of their accomplishments. Thank you from all of us
